

What did your child learn about at school?

Our choices online leave a **digital footprint**. This includes actions such as leaving comments, likes, who we follow and what we post.

We have **rights** when we're online:

- feel safe
- block and report
- seek help (Kids Helpline or our trusted adults).

We also have **responsibilities** when we're online:

- follow the rules (home/school/website/law)
- consider the impact of our actions
- protect our personal information

YEARS 5-6
TERM 1, 2023

Some conversation starters:

- Have you ever thought about your digital footprint? (Google your names and usernames and see what comes up)
- Have you seen anything online that would make someone feel unsafe? Worried? Upset?
- Apart from me (parent/carer), who else could you talk to if you had concerns online? (Give them permission to talk to a network of trusted adults & Kids Helpline).
