Quick configuration for Inform & Empower & YouTube (Google Workspace Settings)

Help guide prepared by the amazing team at Plexus IT (<u>https://www.plexusit.com.au/</u>)

Checked the following is turned on - "Signed in users in your organisation can only watch restricted and approved videos":

https://admin.google.com/ac/appsettings/505551310581/YOUTUBE_CONTENT_SETTINGS

Check that you have the channel whitelisted. https://admin.google.com/ytapprovals/whitelist

In-stream video	Channel	Approver	
(Entire channel)	Inform & Empower	1 Mar 2023 12:24	×

If it is not whitelisted, you can do this by using an account in the "Google Classroom teachers" group. Use the link below to check if the person you want to approve has access.

https://groups.google.com/a/stcapw.catholic.edu.au/g/classroom_teachers/members

Once they are in the group you should be able to access the YouTube page and approve

https://www.youtube.com/@informandempower

Additional information regarding YouTube org level settings.

This is the settings for the top level of the org, meaning everyone by default has restricted access to the lowest level we can give.
